

## EFT Master Practitioner Course:

Developed by Silvia Hartmann over 14 years since Gary Craig discovered EFT. Energy EFT and the heart and soul protocol is logical, simple, elegant and amazing and has brought EFT training up to new dimensions. This course is ideal for anyone who wishes to develop a career in the caring professions or for self development. This is the Gold Standard EFT Practitioner Training available. This is the most up to date training incorporating the up to minute changes with EFT. Whether you discovered EFT 14 years past when Gary Craig discovered EFT or just recently this training will move you forward in an exciting and phenomenal BIG way. This course is recommended for people who wish to update to the latest development, techniques and methods.

1. Professional healers, facilitators and therapists
2. People who want to become professional EFT Practitioners
3. Those who LOVE EFT and are excited about its practical potential and wish to take it to the next level.
