

MSM (Modern Stress Management) Foundation Course

Launched in 2016 MSM (Modern Stress Management) Foundation 1 day course gives us the pathway out of stress and into Success!

This is NOT another EFT course but can include EFT techniques for changing Energy states.

MSM is about making people aware of how changes in their Energy states affect their performance and discovering natural ways to flow beautifully and logically out of stress and into success.

The course is in 4 units.

Unit 1: You will learn how to measure and manage stress

Unit 2: You will learn how to energise your life

Unit 3: You will learn to de-stress other people

Unit 4: You will look forward to a new energized future

No pre- requisites! Suitable for everyone- even children as young as 10 years!

Fee: £150 Pounds sterling (discounts for groups) £50 deposit required
